

Our Course - Admin Panel | The Root Education

SNo	Status	Name	Detail	Image	Action
1	ACTIVE	Pre-Foundation (Class 7 to 10)	Our Pre-Foundation program builds strong basics in Maths, Science, and Logical Reasoning. It prepares students for Olympiads, NTSE, and lays the groundwork for future competitive exams like JEE & NEET.		
2	ACTIVE	CUET (UG)	We offer focused preparation for CUET covering General Test, Language, and Subject-specific domains. Our study materials and mock tests help students maximize their CUET scores for top university admissions.		
3	ACTIVE	NEET (UG)	The NEET course focuses on Physics, Chemistry, and Biology for medical aspirants. Our curriculum is aligned with NCERT and NEET patterns, backed by experienced mentors and regular mock tests.		
4	ACTIVE	JEE (Main & Advanced)	Our JEE program is designed to help students crack both JEE Main and Advanced. With conceptual learning, regular tests, doubt sessions, and previous year paper practice, we aim to build strong problem-solving skills.		
5	ACTIVE	11th & 12th Course (Science Stream)	At Root Education Institute, we provide strong academic guidance for Class 11th and 12th (Physics, Chemistry, Mathematics/Biology). Our expert faculty ensures concept clarity, board preparation, and competitive exam readiness.
